

**WE HAVE A VISION TO PLACE
ONE MILLION CHILDREN
BACK INTO FAMILIES.***

WHAT WE DO

Care for Children partners with governments in Asia to help them manage a national change from institutional care to local family-based care for orphaned and abandoned children.

Care for Children works to give some of the most disadvantaged children in the world the chance to grow up in local, loving families who will nurture them to reach their full potential.

WHERE WE WORK

CHINA

We've been in China 16 years, working with the government to get children out of orphanages and into good, local families. So far over 250,000 children have been placed into families since we started our project.

THAILAND

Established in 2012, the Thailand project is our first outside China. Our pilot is located in Chiang Mai and 40 children have gone into families so far.

WHY WE NEED YOU

Because we are a small charity, every penny YOU raise really makes a massive difference. People like you are vital to the success of our work, and it's because of your help that precious children in China and Thailand can be given the opportunity to grow up in a loving family.

Diagnosed with cerebral palsy as a baby, doctors said Tao Ran would find it difficult to walk or talk. But after 8 years of dedicated care from his foster parents in China's Ningxia province, Tao Ran has developed in leaps and bounds. He is mobile, independent and learning to communicate through sign language.

WHAT YOU CAN DO

You can do almost anything to raise money to help give a child a family. Here are a few ideas:

- 1** Hold a SWEEPSTAKE and charge HKD30 to take part
- 2** Get your colleagues together and have a YARD SALE or sell your unwanted items on ebay
- 3** Get everyone to pay HKD30 and come to work in FANCY DRESS or dress down if that's not your cup of tea
- 4** Ask your office mates to bring in food from home and donate what they would have spent on lunch to Care for Children

WHAT YOU CAN DO

- 5** Get SPONSORED! Create your fundraising page at justgiving.com and ask friends to sponsor you to run / walk / shave your beard, anything
